ABOUT MILE HIGH YOUTH CORPS

MHYC believes that supporting the development of youth ages 17-24 has long-term impact on individuals communities and the environment.

For 32 years, MHYC has combined service opportunities with education and personal exploration to help young adults discover their strengths and learn to lead. MHYC offers career pathways in land, energy & water conservation, construction and healthcare. When youth know themselves, feel supported and can serve others we are confident they will change the world.
