

**Position Description:**

Mile High Youth Corps is a nonprofit social enterprise program powered by Corpsmembers. Complete a Term of Service with our Colorado Climate Corps program. This is a team based, 11 to 48 week-long program. Climate Action Corpsmembers will serve Metro Denver residents by installing in-home energy and water saving measures (low-flow toilets, kitchen and bathroom aerators, programmable thermostats, and LED light bulbs). Corpsmembers will serve in teams of 2-3 to complete daily household appointments using MHYC provided vehicles, toolkits, and materials. They will also educate the community on the importance of climate action and energy and water conservation. Corpsmembers will receive education and training that offers leadership development, technical skill-building, and career readiness through industry recognized certificates. We support you as you explore your future goals and career pathways!
